## ➤ ROUTE REQUIREMENTS

- In order to materialize for AY 2024-2025, the “N. Scottsdale/N. Pima” route needs a **minimum of 25 round trip students.**
- The **maximum capacity** of this route is 33 students if 1 shuttle is utilized.
- An **Annual Transportation Service Agreement** and a **\$382.50 deposit** (or the discounted amount for siblings) is required to enroll.

## ➤ ENROLLMENT

- Enrollment documents and deposits for students wishing to travel “round trip” will be accepted on a **“first-come, first-served”** basis.
- Existing students **do not** retain their priority status from prior years. Existing students have to re-enroll with full set of documents and deposits.
- When the enrollment documents and deposit for a student are received, I will confirm receipt immediately, and I will give you a **priority number**.
  - **If your priority number is less than the 33**, your student is guaranteed a seat in the route and morning trip you have selected.
  - **If your priority number is 34 or greater, you will be placed on a waiting list.** Your enrollment forms will **not** be processed and your deposit will **not** be charged, until a seat opens up in the route/trip you are interested in, or a 2<sup>nd</sup> shuttle is placed in service. You will be asked if you want the seat when it becomes available and you will be given 3 days to respond.
- **Deposits will not be charged to credit cards, and deposit checks will not be cashed, until May 12, 2024, and only if the route ends up materializing in the Fall 2024. However, current credit card information and deposit checks must be on file.**

## ➤ ENROLLMENT START DATE AND DEADLINE TO ENROLL

- **Enrollment starts on Monday, March 18, 2024:** Documents received BEFORE Monday, March 18, 2024, will be processed on Monday, March 18, 2024 in the order in which they were received.
- **The deadline to enroll** for round trip transportation to the “Aviano/Bell Route” for Academic Year 2024-2025 is **Friday, May 3, 2024.**
- **In the event this route fills up to its designed capacity of 33 students, a total of 25**

***additional*** students are required in order to place a 2nd shuttle into service.
